Student Housing Application

Host families are carefully chosen by school based upon the desire to host visiting students and ability to provide a safe, comfortable home and a positive cultural experience. Many families host for many reasons: to make friends with a young person from abroad, to encourage the exchange ideas, to share the culture and to learn about each other.

Please answer the following questions to help us in matching you with suitable student(s). While we will make every effort to accommodate you with appropriate student, please be aware that we will not always be able to meet all of your preferences or have a match student for you.
