Art Studio – 6th-12th

Ms. Sherry Mirakian, ACS Art Teacher

If you want to CREATE and need a place and time, this is the after school club for you! Ms. Mirakian will provide ideas and some supplies. You will bring your ideas and any supplies you need that are not provided. You may work on your own art project during this time or join in on the club project. Throughout the semester we will draw, paint, sculpt, and craft!

Art Workshop, Animals Transformed Through Art – 1st-5th

Ms. Sherry Mirakian, ACS Art Teacher

Animals have been a source of inspiration for many artists. From art about rural life and growth, to myths and legends, animals are used in art in many different ways. In this art workshop we will explore our relationship to wildlife, as we create artwork inspired by animals and think about how we care for animals and the environment. We will draw, paint and create 3 dimensional animals using multiple types of mediums.

Band – 4th-12th

Mr. Jaron Beadle, ACS Music Director

Improve your band skills! This free after-school band class includes two levels: beginner (meets on Mondays and Wednesdays) and intermediate (meets on Tuesdays and Thursdays). Approval from Mr. Beadle is needed to join the intermediate class.

Elementary Servant's Heart Club – 2nd-5th

Mrs. Jennifer DiMaio

Develop a love for serving God and blessing others in our community by working cooperatively on creative, hands-on projects.

Gymnastics – 1st-5th

Blake's Gymnastics

Learn the basics of gymnastics and build your skills each week. This 6-session class is designed to enhance your love for movement and make fitness a fun activity.

Intro to Sign Language – 1st-5th

Mrs. Jessica Martin

Get started learning sign language with the alphabet and common words used in everyday life. You will also learn to sign along with a simple worship song.

Karate – PK4-12th

Mr. Brian Moragne, Freestyle Martial Arts

Learn karate, capoeira, self-defense, and fitness, with an emphasis on developing a positive self-image and exhibiting humility, kindness, and respect.

Model Railroading – 6th-12th

Mr. Robert Erman, Certified Teacher

Gain experience in model railroading during this 6-session class. Learn to build a train layout and develop basic engineering skills that integrate science, math, general problem solving, and organizational skills.

Snapology Workshops – PK3-K & 1st-5th

Snapology

All About Animals (PK3-K) – Cultivate a love of animals by learning various concepts of animal life cycles and animal characteristics & traits using K'Nex toys and other interactive learning tools. We make animal science fun at Snapology!

STEM Intermediate Engineering (1st-5th) – Learn problem solving, critical thinking, and teamwork by building and manipulating models with levers, pulleys, gears, wheels, and axles.

Soccer – PK4-5th

GPS & GPS Juniors

Learn the essentials of soccer from fully qualified Global Premier Soccer coaches during this 6-week class.

Spelling Club – 1st-8th

Mrs. Jessica Martin

You can become a Super Speller! Learn fun tricks and techniques for spelling while preparing for quizzes, tests, class competitions and the all-school spelling bee.

Tumblewheels – PreK2-K

Mrs. Krystle Pena

Tumble Wheels is a non-competitive gym facility and mobile program that travels to ACS in a full-size school bus that has been converted into a gymnasium. Children will learn safe activities on the equipment while developing their self-image through tumbling, music, physical education, motor/movement, social skills, safety, personal care, and encouragement. Register online at www.MyTumbleWheels.com.
