# MPR AFTER-SCHOOL GYMNASTICS PROGRAM

Tracey Blake, owner/instructor, of Blake's Gymnastics will host an After-School Gymnastics Program for boys and girls (K to 5th grades) at school on Fridays from 3:15pm to 4pm starting January 11th and finishing February 8th. Missed classes may be made up at Blake's in Northfield.

Children will learn the basics of gymnastics in the beginning and will build on their skills each week. At Blake's, they realize each child learns at their own pace and teach the individual child not to the group.

## BEGINNER, INTERMEDIATE & ADVANCE LEVELS

The program is designed to enhance the child's love for movement and excite them about fitness fun. Their sense of pride shines through as they start to improve on the skills they are being taught at each class. The program is successful because of the positive learning atmosphere and encouragement given to all the children.
